- ⑮ Common Magpie
- ⑯ Dalmatian Pelican
- ⑰ First Day Cover (small size) - Commonly found sailing between trees, the Scarlet Minivet featured in the first day cover stretches up to compete with the romantic lavender and pink, inviting lovers of flora, foliage, and birds to roam and explore the countryside.
- ⑱ First Day Cover (large size) - Noted for its long spatulate bill, the Black-faced Spoonbill depicted in the first day cover is seen on water near its hub of activity - a wetland. The colours of subdued blue and green serve as a reminder of what Nature has in store under the blue sky.
