- Not applicable.

Note:

The CPI(A), CPI(B) and CPI(C) are compiled with reference to the average expenditure patterns for different groups of households as obtained from the Household Expenditure Survey. By aggregating the expenditure patterns of all households covered by the above three indices, a Composite CPI is also compiled.

The expenditure ranges of the households covered in the 2004/05-based CPI series are as follows:

	Approximate percentage of households covered	Average monthly household expenditure range (at 2004/05 prices)	Average monthly household expenditure range (adjusted to 2006 prices)
	(%)	($)	($)
CPI(A)	50	4,000 - 15,499	4,100 - 15,800
CPI(B)	30	15,500 - 27,499	15,800 - 28,200
CPI(C)	10	27,500 - 59,999	28,200 - 61,500
Composite CPI	90	4,000 - 59,999	4,100 - 61,500

Apart from "Private housing rent" and "Public housing rent", the "Housing" section also includes "Management fees and other housing charges" and "Materials for house maintenance".
