	Nepal	Culture in Motion ¹	1

¹ Culture in Motion is a series of thematic Sunday cultural programmes organised since 2005, in which ethnic communities are invited to showcase their culture through dances, songs, games, photographic and art exhibits.

² These performances are organised in collaboration with Consulates of South Asian countries in Hong Kong. Nationals of those countries residing in Hong Kong or organisations are invited to present cultural performances that are representative of their national character, including dance, music and traditional costumes.

*Fee-charging programmes
