

指定流感診所

專注處理流感徵狀的病人

DESIGNATED FLU CLINICS for Management of Patients with Flu-like Symptoms

疑似流感徵狀：發燒、咳嗽、喉嚨痛

因應人類豬型流感的疫情發展，醫院管理局已設立指定流感診所，為出現類似流感病徵的人士提供診治服務。

原本於下列指定流感診所長期覆診的病人，將獲安排到相應的鄰近診所領取補充藥物。

其他病人應向其他普通科門診或私營診所求診。

Flu-like symptoms: fever, cough, sore throat

In response to the development of human swine influenza, the Hospital Authority set up Designated Flu Clinics to provide medical treatment to persons presenting with flu-like symptoms.

Patients who initially have follow up appointments at the Designated Flu Clinics listed below would be arranged to nearby clinics for medication refill.

Other patients should seek medical advice from other General Outpatient Clinics or private practitioners.
