

**Gist of the Memorandum of Understanding (MOU) on
Co-operation in Wine-related Businesses
between Hong Kong and Chile**

- The MOU covers several areas of co-operation that also feature in our MOUs with other countries/regions, including promotion of wine trading, investment, wine education and training as well as wine-related tourism. Details are -
 - (a) **facilitation of wine-related trade fairs and general public events** – to strengthen wine-related trading and promotional activities, HKSAR and Chile will encourage co-operation among organisers and promotion entities in hosting wine-related activities such as fairs and festivals, held either in Hong Kong or in Chile to engender a good showing of Chilean wines, related food items and culture;
 - (b) **education and manpower training** – HKSAR and Chile will encourage the training institutions to enhance partnership so as to strengthen education on wine appreciation/culture and manpower training on wine-related subjects;
 - (c) **wine storage** – to encourage exchanges and sharing of information on good practices related to wine storage; and
 - (d) **wine-related tourism and wine culture** – HKSAR and Chile will encourage enhanced partnership on promoting wine-related tourism and wine culture through trade shows and exchange activities etc.

Government of the Hong Kong Special Administrative Region
