

Arrangements for Hong Kong Residents to Return from Japan (Tokyo) to Hong Kong

Due to the evolving situation at the Fukushima nuclear facility and disruptions to transport, power and other infrastructure in Tokyo, the Hong Kong Special Administrative Region (HKSAR) Government advises Hong Kong residents currently in Tokyo to consider leaving Tokyo or move to the south of the country. Residents in Tokyo wishing to return Hong Kong may take the following additional flights -

	Date of Flight	Flight Number	Departure Time
Narita Airport – Hong Kong	18 March 2011	CX 2505	2055 hours
		CX 2509	2150 hours (Tokyo time)

In view of the traffic situation, residents taking the above flights should arrive at the following assembly point **at least 6.5 hours before the flight departure time**. Residents may also make their own arrangement to the airport direct.

	Assembly Point	Contact Means
Shinjuku	Keio Plaza Hotel Tokyo Eminence Hall 5/F, South Tower (2-2-1 Nishi-Shinjuku, Shinjuku-Ku)	By email to: hkcontacts@hketotyو.gov.hk or 1868@immd.gov.hk By telephone to: (852) 1868

The HKSARG support team will also be present at the Narita Airport (zone E & F of T2). Please be patient upon arrival at the airport.

For details of the additional flights, residents in Tokyo may call (852) 1868, or contact the Immigration Department via the email account <1868@immd.gov.hk>.

For those who need to stay in Tokyo, you are encouraged to pay attention to the announcement of local government and to register your telephone number, email address and local address via :1868@immd.gov.hk. This notice will be updated from time to time.
