Number of persons engaged of the Insurance industry for the year 2010 was 53 100, increased by 3.1% compared with last year.

Number of employees of the Insurance industry for the year 2010 was 51 301, increased by 1.4% compared with last year.

Compensation of employees of the Insurance industry for the year 2010 was \$19,561 million, increased by 2.7% compared with last year.

Operating expenses of the insurance Industry for the year 2010 was \$10,816 million, increased by 3.2% compared with last year.

Value of purchases of goods for sale of the Insurance industry for the year 2010 was nil.

Business receipts and other income of the Insurance industry for the year 2010 was \$265,386 million, increased by 2.6% compared with last year.

In compiling gross surplus and value added of the financing and insurance activities, other data sources are required to supplement data collected through the Annual Survey of Economic Activities. These statistics are being compiled using the survey results and other data sources and will be published in the website of C&SD later.

Number of establishments of the Professional, scientific and technical activities for the year 2010 was 21 575, increased by 7.6% compared with last year.

Number of persons engaged of the Professional, scientific and technical activities for the year 2010 was 120 490, increased by 11.4% compared with last year.

Number of employees of the Professional, scientific and technical activities for the year 2010 was 106 373, increased by 13% compared with last year.

Compensation of employees of the Professional, scientific and technical activities for the year 2010 was \$36,166 million, increased by 16.6% compared with last year.

Operating expenses of the Professional, scientific and technical activities for the year 2010 was \$40,331 million, increased by 6% compared with last year.

Value of purchases of goods for sale of the Professional, scientific and technical activities for the year 2010 was \$400 million, increased by 13.5% compared with last year. Business receipts and other income of the Professional, scientific and technical activities for the year 2010 was \$95,550 million, increased by 12.5% compared with last year.

Value added of the Professional, scientific and technical activities for the year 2010 was \$53,333 million, increased by 18.8% compared with last year.

Gross surplus of the Professional, scientific and technical activities for the year 2010 was \$18,653 million, increased by 20.3% compared with last year.

Number of establishments of the Administrative and support service activities for the year 2010 was 11 107, increased by 9.5% compared with last year.

Number of persons engaged of the Administrative and support service activities for the year 2010 was 205 452, increased by 2.4% compared with last year.

Number of employees of the Administrative and support service activities for the year 2010 was 200 662, increased by 2.8% compared with last year.

Compensation of employees of the Administrative and support service activities for the year 2010 was \$30,436 million, increased by 1.7% compared with last year.

Operating expenses of the Administrative and support service activities for the year 2010 was \$76,049 million, increased by 17.2% compared with last year.

Value of purchases of goods for sale of the Administrative and support service activities for the year 2010 was \$2,374 million, decreased by 5.2% compared with last year.

Business receipts and other income of the Administrative and support service activities for the year 2010 was \$118,203 million, increased by 14.5% compared with last year.

Value added of the Administrative and support service activities for the year 2010 was \$38,800 million, increased by 10% compared with last year.

Gross surplus of the Administrative and support service activities for the year 2010 was \$9,343 million, increased by 57.8% compared with last year.

 $Total\ number\ of\ establishments\ for\ the\ year\ 2010\ was\ 50\ 363,\ increased\ by\ 8.6\%\ compared\ with\ last\ year.$ 

Total number of persons engaged for the year 2010 was 634 612, increased by 6.6% compared with last year.

Total number of employees for the year 2010 was 609 654, increased by 6.9% compared with last year.

Total compensation of employees for the year 2010 was \$259,892 million, increased by 13.5% compared with last year.

Total operating expenses for the year 2010 was \$363,812 million, increased by 12.5% compared with last year.

Total value of purchases of goods for sale for the year 2010 was \$9,872 million, decreased by 14.8% compared with last year.

Total business receipts and other income for the year 2010 was \$1,305,416 million, increased by 14.3% compared with last year.

Total value added for the year 2010 was \$226,920 million, increased by 16.6% compared with last year.

Total gross surplus for the year 2010 was \$329,097 million, increased by 30.7% compared with last year.

## Notes:

Because of rounding, the sum of individual items may not be exactly equal to the corresponding total.

- (1) Operating expenses do not include provision, gain/loss on disposal of fixed assets, bad debts, penalty, write-off, donations to charities, insurance excesses as well as depreciation, amortisation and taxation payments.
- (2) Value of purchases of goods for sale has been adjusted for changes in stocks.
