

**Table 1:****Idle Properties Wholly Owned by the Government and Managed by the Agency**

Name (if applicable) and address of site/property	Use(s) of site/property specified in outline zoning plan (“OZP”) or rural OZP	Site area/land area and gross floor area (“GFA”) of property (m <sup>2</sup> )	Number of months for which the site/property has been left idle, as at the end of August 2013	Whether development plan for the site/property has been made and its details
1. Davis Street Pier	No specified usage	49	96 months	No suitable user could be identified.
2. 106A Pokfulam Village	Village-type development	47	75 months	The property is affected by the structures erected around the building. The Government is exploring the feasibility of various options to make use of the property.

Table 2:

Idle Properties Partly Owned by the Government

Name and address of site/property, the holding department	Use(s) of property specified in OZP or rural OZP	GFA of property (m <sup>2</sup> )	Number of months for which the property has been left idle, as at the end of August 2013	Whether development plan has been made for the property and its details
1. MTR Reserved Area, Basement & G/F, Chong Yip Centre, 402 – 404 Des Voeux Road West	The unit is situated within a residential area	Usable area on G/F : 35	369 months*	The external wall of the unit is currently used for displaying the Government's publicity messages. The legal documents for the subject development stipulate that the unit should be used as an "MTR Reserved Area", but the MTR Corporation has decided not to use it as an MTR entrance/exit. Any amendment to the prescribed usage requires consent from all the owners and their execution of the relevant legal documents.

Name and address of site/property, the holding department	Use(s) of property specified in OZP or rural OZP	GFA of property (m <sup>2</sup> )	Number of months for which the property has been left idle, as at the end of August 2013	Whether development plan has been made for the property and its details
2. MTR Reserved Area, Basement & G/F, Yat Chau International Plaza, 118 Connaught Road West	The unit is situated within a commercial area	Usable area on G/F : 40	230 months*	The external wall of the unit is currently used for displaying the Government's publicity messages. The legal documents for the subject development stipulate that the unit should be used as an "MTR Reserved Area", but the MTR Corporation has decided not to use it as an MTR entrance/exit. Any amendment to the prescribed usage requires consent from all owners and their execution of the relevant legal documents.
3. Ex-Neighbourhood Police Unit, G/F, Block 3, Prime View Garden, 2 King Fung Path	The property is situated within a residential area	50	298 months	The legal documents for the subject development stipulate that the property should be used as a "Neighbourhood Police Unit". Any amendment to the prescribed usage requires consent from all owners and their execution of the relevant legal documents.
4. Ex-Police Reporting Centre, 1/F,	The property is situated within the residential area	24	234 months	The legal documents for the subject development stipulate that the property should be used as a "Police Report Centre". Any

Name and address of site/property, the holding department	Use(s) of property specified in OZP or rural OZP	GFA of property (m <sup>2</sup> )	Number of months for which the property has been left idle, as at the end of August 2013	Whether development plan has been made for the property and its details
Chevalier Garden, 2 Hang Shun Street				amendment to the prescribed usage requires consent from all owners and their execution of the relevant legal documents.

\*Note: The two MTR reserved areas (items 1 and 2) have not been used as MTR entrances/exits and have remained vacant since the completion of the developments.
