- Note 2: None of the colleges registered under the Post Secondary Colleges Ordinance (Cap. 320) has any Government-appointed member.
- Note 3: To enhance transparency, apart from the Board of Governors and College Council, most institutions have set up committees so as to provide channels for teaching staff and students to participate in school administration. For example, committees are established under the Academic Board, including the Student Affairs Committee, Academic Committee and Quality Assurance Committee, etc., with participation of teaching staff representatives and/or student members.
