

Table 13: The numbers of places and the respective average utilisation rates of extended hours service, occasional child care service and mutual help child care centers in 2012-13.

Administrative district under SWD	Extended hours service		Occasional child care service		Mutual help child care centres	
	Number of places	Average utilisation rate (%)	Number of places	Average utilisation rate (%)	Number of places	Average utilisation rate (%)
Central/Western/Southern and Islands	124	71	42	79	67	9
Eastern/Wan Chai	152	72	31	56	0	0
Kowloon City/Yau Tsim Mong	124	74	47	65	14	less than 1
Sham Shui Po	76	114(Note 1)	25	77	37	20
Kwun Tong	122	82	49	85	56	8
Wong Tai Sin/Sai Kung	140	92	55	70	14	17
Sha Tin	82	79	29	55	0	0
Tai Po/ North	124	82	35	62	14	5
Yuen Long	70	70	35	65	42	3
Tsuen Wan/Kwai Tsing	138	79	55	81	56	4
Tuen Mun	78	84	31	79	14	less than 1
Total	1 230	81	434	71	314	8

(Note 1) For more effective and better use of the places, most of the centers may arrange children with occasional service needs to take up the places originally reserved for children with continuous service needs on certain days when the places are unused, thus resulting in the utilisation rate exceeding 100%.
