Notes: Figures in brackets represent percentage changes in 2012 compared with 2011. Percentage changes are not presented whenever any of the two figures is negative, as it is very difficult to interpret meaningfully the percentage change obtained.

Percentage changes are derived from unrounded figures.

Because of rounding, the sum of individual items may not be exactly equal to the corresponding total.

"**" denotes "figure less than 0.05%" respectively.

(1) Compiled as from 2009.

(2) Compensation of employees includes wages and salaries as well as payments in kind and employer's social security expenditure such as contributions to Mandatory Provident Fund schemes and premiums for employee's compensation insurance.

(3) Operating expenses include consumption of materials and supplies, rent and rates for land and buildings, interest payments, payments for repair and maintenance services, transport and travelling expenses, communications expenses, insurance premiums, entertainment expenses, accounting fees and other expenses for business services, etc. Provision, gain/loss on disposal of fixed assets, bad debts, penalties, write-off, donations to charities, insurance excesses, depreciation, amortisation and taxation payments are not included in operating expenses.
