

Annex 5

	2008/09 academic year	2009/10 academic year	2010/11 academic year	2011/12 academic year	2012/13 academic year
<u><i>Loan amount (\$ million)</i></u>					
Means-tested loan	180.80	231.85	257.39	276.24	266.62
Non-means-tested loan	395.20	480.41	543.56	554.53	589.86
<u><i>Interest income (\$ million)</i></u> [%]					
Means-tested loan	4.68	4.96	6.03	7.55	3.63
Non-means-tested loan	42.27	44.63	51.99	60.17	49.31

[%] The interest income for each academic year includes the aggregate amount of interest paid for through all repayment accounts in that particular year. As such, there is no direct relationship between the interest income and the loan amount disbursed in each academic year.
