(Notes:

The financial year of the Kowloon-Canton Railway Corporation (KCRC) starts on January 1 and ends on December 31. Since the rail merger, KCRC has granted the operation right of its railway assets to the MTR Corporation Limited (MTRCL). Under the Service Concession Agreement with MTRCL, KCRC receives annual payments for the use of its railway assets by MTRCL. The Government does not separately provide subvention for its recurrent expenditure. KCRC's total revenue has yet to deduct the operating costs, tax, interest, depreciation and amortisation charges.)
