

Proposed amendment to scheme description of Cross Bay Link

It is proposed that paragraph 3 of the scheme should be amended by inserting those words which are **underlined and bold-typed** as follows –

Roads to be Closed and Government Foreshore and Sea-bed to be Reclaimed

For the purposes of or incidental to the works or the use, the Permanent Secretary for Transport and Housing (Transport) proposes that powers under section 17 of the Ordinance may be exercised to close permanently or temporarily sections of the existing carriageways, cycle tracks, footpaths, central reserves/refuge islands, amenity areas and open space or parts thereof; **and to reclaim the Government foreshore and sea-bed** within the limit of works area as shown on the Plans. Temporary alternative accesses will be provided and temporary diversions will be carried out during the construction period as and when required. Further notice, setting out the manner in which such carriageways, cycle tracks, footpaths, central reserves/refuge islands, amenity areas and open space or parts thereof are to be closed, **and such Government foreshore and sea-bed are to be reclaimed,** will be issued under section 18 of the Ordinance as and when required.
