Notes:

- Statistics on the number of applications in the 2010/11 academic year are not available.
- Each applicant can concurrently submit multiple applications to different institutions, and hence the number of applicants is actually smaller than the number of applications. Based on empirical data, UGC-funded institutions assessed that, on average, each local applicant would submit two applications for admission. The number of applications submitted by non-local applicants considerably vary, and hence UGC-funded institutions are unable to estimate the number of non-local applicants on the basis of the number of non-local applications received.
- The place of origin of non-local students is determined having regard to their nationality.
- Abbreviations for institution are as follows:
 CityU City University of Hong Kong
 HKBU Hong Kong Baptist University
 LU Lingnan University
 CUHK The Chinese University of Hong Kong
 HKIEd The Hong Kong Institute of Education
 PolyU The Hong Kong Polytechnic University
 HKUST The Hong Kong University of Science and Technology
 HKU The University of Hong Kong
