

LEGCO QUESTION NO.9

Annex

The 110 applications received by URA in the past were mostly from Sham Shui Po, Yau Tsim Mong and Kowloon City districts. Of these 110 applications, those rejected by URA with site areas smaller than 400 m² or 300 m²; or involving buildings not assessed as “varied” or “poor” under URA’s building conditions survey, broken down by their respective District Council (DC) districts, are as follows:

District	(i) Number of applications with site area larger than 300 m² but smaller than 400 m²	(ii) Number of applications with site area smaller than 300 m²	(iii) Number of applications involving buildings not assessed as “varied” or “poor” under the building conditions survey conducted by URA
Central and Western	0	3	3
Sham Shui Po	8	6	22
Yau Tsim Mong	2	10	17
Kowloon City	2	0	8
Kwun Tong	1	0	3
Eastern	0	0	2
Total	13	19	55

(The applications listed in column (iii) above may not necessarily correspond to those listed in columns (i) and (ii).)
