

## Annex II: Hong Kong's ivory trade in the past five years

Year	Number of licence holders	Quantity of registered ivory stock under Licences to Possess (tonnes)
2009	609	177.9
2010	465	121.1
2011	431	116.5
2012	436	118.7 <sup>1</sup>
2013	447	117.1

---

<sup>1</sup> In 2012, there was a net increase of 2.2 tonnes of registered ivory from non-commercial to commercial purpose, and thus the quantity of registered ivory under Licences to Possess increased to 118.7 tonnes.
