Total number of lifeguards:		578	531

Note: The actual number of lifeguards employed includes civil service, contract and seasonal lifeguards. The discrepancy between the numbers of lifeguards to be employed and the actual number of lifeguards employed is due to the fact that LCSD could not recruit sufficient seasonal lifeguards for the current year and the fact that some of civil service lifeguard vacancies cannot be filled. Vacancies arising from civil service lifeguards' appointment on trial to other grades are filled unless and until the civil service lifeguards in question have passed the trial bar.
