

Proposed lift installation at footbridge (No. KF89)  
across Ferry Street near Dundas Street in Mong Kok

- (i) construction of two lifts at the existing footbridge (No. KF89) across Ferry Street near Dundas Street;
- (ii) construction of elevated platforms to connect the proposed lifts in (i) with the existing footbridge (No. KF89);
- (iii) permanent closure and conversion of sections of the existing carriageway adjacent to the existing ramp near Tak Cheong Street into footpath or ramp;
- (iv) temporary closure and modification of a section of the existing ramp near Tak Cheong Street;
- (v) demolition and conversion of an existing planter adjacent to the proposed lift in (i) within Cherry Street Park into footpath; and
- (vi) ancillary works including drainage, landscape, lighting, electrical and mechanical works.
