

Annex III

The number of calls relating to reports on suspected gas leakage attended by fire personnel, and the respective numbers of fire and explosion incidents caused by gas leakage in the past five years provided by the Security Bureau:

Year	Number of calls attended *	Number of fire incidents	Number of explosions
2010	309	19	0
2011	327	7	0
2012	287	6	0
2013	294	8	0
2014**	267	6	1

Note:

* Include the number of calls attended to in respect of suspected gas leakage; and fire incidents and explosions caused by gas leakage. The Fire Services Department does not have a breakdown of figures for suspected gas leakage reported at residential or non-residential premises.

** Figures as of November 30, 2014. Figures for December 2014 are not yet available.
