

LEGCO QUESTION NO. 15

Table 2

Percentages¹ of graduate trainees joining the construction industry
each year between 2012 and 2014

Training courses	Employment rate (by year)		
	2012	2013	2014
Enhanced Construction Manpower Training Scheme	93%	94%	92%
Collaborative Training Schemes	The trainees have been employed since undergoing training at construction sites		
Full-time adult short courses	84%	85%	81%
Basic Craft Courses	96%	97%	93%

~ End ~

¹ The percentages represent the employment rates of graduates who have secured employment within three months after graduation.
