

LEGCO QUESTION NO. 15

Table 3

Retention rates of graduates of various training courses after graduation

Training courses	Retention rate of graduates (approx.)		
	(by year of graduation)		
	2012 (12 months after graduation)	2013 (12 months after graduation)	2014 (6 months after graduation[^])
Enhanced Construction Manpower Training Scheme	65%	69%	69%
Collaborative Training Schemes	Not surveyed by CIC	53% #	64%
Full-time adult short courses		65%	67%
Basic Craft Courses		86%	Data not available *

[^] Only trainees who have graduated for six months are included.

The figure only covers graduates who completed the Collaborative Training Schemes between September and December 2013.

* Since the new batch of trainees of Basic Craft Courses graduated in August 2014, the six-month retention rates for these graduates are not yet available.
