Note:

- Waiting time "<1" means that the patients received the service within one day.
- Information on attendances and patients' waiting time for CT, MRI, ultrasound scan in X-ray department and mammography services has become available since 2011-12.
- Information on attendances for PET/CT has become available since 2011-12, but information on patients' waiting time for this service was not available until 2013-14.
