

## Annex to LCQ 10

From the commencement of the Ordinance to the end of September this year, the respective numbers of complaints against idling engines received by the EPD each year, vehicles timed with idling engines by law enforcement officers, enforcement-cum-publicity activities conducted at idling engine black spots and FPNs issued are as follows:

<b>Year</b>	<b>Number of Complaints</b>	<b>Number of Enforcement-cum-Publicity Activities Conducted</b>	<b>Number of Vehicles Timed with Idling Engines</b>	<b>Number of FPNs Issued</b>
From 15 to 31 December 2011	59	19	0	0
2012	1 802	385	1 109	7
2013	1 119	292	1 809	82
2014	1 123	234	1 127	46
2015 (up to end of September)	1 171	210	558	47
Total:	5 274	1 140	4 603	182

Note: In the first month after the commencement of the Ordinance, law enforcement officers gave verbal warnings prior to taking enforcement actions.
