

Year	Number of EFAS applications		Number of allocations through EFAS ¹	
	General applicants	QPS applicants	General applicants	QPS applicants
2010/11	17 068	16 033	1 150	660
2011/12	23 784	23 291	1 331	445
2012/13	34 777	35 654	1 814	270
2013/14	36 621	40 092	1 396	157
2014/15	42 678	43 239	870	173

¹ EFAS is launched in accordance with the PRH resources available and flats are allocated through self-selection. Most flats under the scheme are less popular PRH flats. The size and number of flats available for applicants' selection are subject to the supply of that type of flats when the scheme is launched.
