

Guidelines on Working Hours of Green Minibus (GMB) Drivers

(Issued by the Transport Department in April 2000)

- Each shift period of GMB drivers, including all rest breaks, should not exceed 14 hours at the maximum per day; and
- The driving hours of GMB drivers (i.e. the maximum hours of a shift period less all rest breaks that last for 15 minutes or more) should not exceed 11 hours per day.
