Note: Subsequent to the abovementioned consultation periods, DCs continue to listen to the views of local organisations and communities on the Signature Project Scheme projects via different channels (such as meetings and exchanges with local organisations and residents), and to incorporate such views, if appropriate, in the projects. DCs also hold different forms of public engagement and publicity activities to enhance residents' understanding of the projects. Project information is also available at DC websites and views from the public are welcome.

\* DCs have considered the public views received and incorporated them in the projects as appropriate. There is no statistics on the number of submissions received by various consultation efforts.
