Note: In view of the construction difficulties and challenges such as the unstable supply of materials, shortage of labour, restriction in airport height, constraints in environmental protection requirements and the slower-than-expected consolidation performance of reclamation works, the Highways Department anticipates that the Hong Kong Link Road and Hong Kong Boundary Crossing Facilities projects will be completed by end-2017. The completion date of the Southern Connection of the Tuen Mun-Chek Lap

Kok Link will tie in with that of the Hong Kong-Zhuhai-Macao Bridge Main Bridge whilst the Northern Connection is targeted for completion in 2018.
