

**Number of patients waiting for transplant of various types of organs and
average waiting time in 2015**

Year	Organ/Tissue	No. of patients waiting for organ/tissue transplant	Average waiting time (months) ^{Note 2}
2015	Kidney	1 941	51
	Heart	36	16.1
	Lung	16	15.4
	Liver	89	43
	Cornea (piece)	374	24
	Bone	Not Applicable ^{Note 1}	Not Applicable
	Skin		

Note 1 : Cases of patients waiting for skin and bone transplant are spontaneous and are an emergency in nature. As substitutes will be used if no suitable piece of skin or bone can be identified for transplant, patients in need of skin and bone transplant are not included in the organ/tissue donation waiting list.

Note 2 : "Average waiting time" is the average of the waiting time for patients on the organ/tissue transplant waiting list as at end of that year.
