Note:

1. Parking spaces for private cars can accommodate private cars, van-type light goods vehicles and taxis.
2. With respect to the car parks managed by the TD, utilisation rate refers to the average monthly utilisation rate of February this year. GPA does not have information on the utilisation rates of car parks under its management.

2. Details of public car parks in estates/courts managed by the Housing Department (HD)

The HD currently manages over 130 public car parks in various estates/courts. As a large amount of data is involved, we are unable to enlist the information of each car park in detail. We will only provide breakdown of the number of parking spaces in various districts by DC district.
