Figures in ( ) denote Mainland applicants. As for the Capital Investment Entrant Scheme, such figures include applicants who are Chinese nationals having acquired the status of permanent residents overseas.

Figures in [ ] denote the percentage of Mainland applicants in the total number of applications.

## Notes

- 1 The number of cases approved generally does not fully correspond to the number of applications received in a particular year since the receipt and completion of a case may not fall in the same year.
- 2 The Quality Migrant Admission Scheme was launched on June 28, 2006.
- 3 The Capital Investment Entrant Scheme was launched in October 2003 and has been suspended with effect from January 15, 2015. However, the ImmD will continue to process the applications received before the suspension in accordance with the rules of the Scheme.
- 4 The ASMTP, launched on July 15, 2003, is only applicable to Mainland residents and thus all applicants are Mainland residents.
- 5 The Immigration Arrangements for Non-local Graduates was launched on May 19, 2008. Statistical breakdowns by region of applicants have been maintained since 2010.
