Note 1: CIC can only provide the salary data of their graduates for the first job after graduation.

Note 2: CIC can only provide the employment data of their graduates in 2011 and 2012 after 3 months of graduation.

Based on the statistics of the graduate employment survey conducted annually by the VTC from 2010/11 AY to 2014/15 AY, not all graduates had responded to the survey. Thus, the actual numbers of all graduates who were employed are not available. According to the responded graduates who were taking up full-time job(s), the distribution of their monthly salary is shown as below:

Monthly Salary (\$)	Distribution of monthly salary of graduates taking up full-time job(s) within the six months after graduation
