

「e藥通」

取藥適時，用藥得宜

Wise queue, Smart use with "TouchMed"

現在你可透過智能手機下載「e藥通」程式，隨時隨地查詢藥物是否已經配妥，尤其在繁忙時段，讓你更靈活地安排時間取藥。你亦可以掃描藥物標籤上的條碼，即時讀取有關藥物的資訊。

You may now download the "TouchMed" mobile application via your smartphone to check the availability of your medicines, anytime and anywhere, so that you can more flexibly manage your time to collect medicines especially in the peak hours. You may also scan the barcode on drug label to access information about the drugs instantly.

以智能手機掃描此處
Scan the QR Code with your smartphone

iOS

Android

也可以透過 App Store 或 Google Play 下載「e藥通」程式
or download "TouchMed" through App Store or Google Play

選擇
“取藥狀況”
Select
“Collection Status”
