* New school premises on reserved school sites

Note 1: Funding application to the Finance Committee (FC) of the Legislative Council (LegCo) is not required as the estimate for the concerned project does not exceed \$30 million.

Note 2: Funding application to FC of LegCo is not required as the project is developed by private developer(s) according to the conditions of land grant.

Note 3: The VSP originally allocated to Dr. Catherine F Woo Memorial School (pm session) for whole-day conversion was deferred due to land possession arrangements. The School has subsequently been directly allocated with another VSP in 2009. Details of the direct allocation concerned are provided under Item 6 of Annex 2.

Note 4: The VSP originally allocated to SKH Yuen Chen Maun Chen Primary School (pm session) was not taken forward due to local concerns and technical issues. The School has subsequently merged with another primary school to form a whole-day primary school in 2009, and no longer requires an allocation of school premises.

Note 5: Funding application of the concerned project to FC of LegCo is pending.
