

**Average household size of different types of housing
according to the results of the Population Census /
Population By-Census conducted by
Census and Statistics Department (C&SD)**

Type of housing	Average household size		
	2006	2011	2016
Public rental housing	3.0	2.9	2.8
Subsidised home ownership housing ¹	3.3	3.2	3.0
Private permanent housing	2.9	2.9	2.8
Overall	3.0	2.9	2.8

- ENDS -

¹ Subsidised home ownership housing includes flats sold under different home ownership schemes that are still subject to alienation restrictions. C&SD does not have figures categorised according to the different home ownership schemes.
