

Table 1: Selected Characteristics of District Council Districts, 2016

	Highest	Second Highest	Third Highest	Lowest
1. Population	Sha Tin District 659 794	Kwun Tong District 648 541	Yuen Long District 614 178	Islands District 156 801
2. Proportion of population of Chinese ethnicity (%)	Wong Tai Sin District 96.6	North District 96.2	Kwun Tong District 96.1	Wan Chai District 77.9
3. Proportion of never married population aged 15 and over (%)	Central and Western District 33.7	Wan Chai District 32.4	Wong Tai Sin District 32.2	North District 28.1
4. Median age	Wan Chai District 44.9	Wong Tai Sin District 44.6	Sha Tin District 44.2	Yuen Long District 42.1
5. Proportion of population aged 15 and over having attained post-secondary education (%)	Central and Western District 49.5	Wan Chai District 49.4	Eastern District 38.4	Kwai Tsing District 25.3
6. Proportion of persons attending full-time courses in educational institutions in Hong Kong with place of study in same district of residence ⁽¹⁾ (%)	Tuen Mun District 74.5	Sham Shui Po District 59.2	Tai Po District 58.0	Yuen Long District 45.3
7. Labour force participation rate (%)	Wan Chai District 67.4	Central and Western District 65.5	Sai Kung District 62.8	North District 58.1
8. Median monthly income from main employment of working population excluding unpaid family workers and foreign domestic helpers (HK\$)	Central and Western District 20,800	Wan Chai District 20,000	Sai Kung District 18,000	Kwai Tsing District 14,000
9. Proportion of working population with place of work in same district of residence ⁽²⁾ (%)	Central and Western District 34.9	Yau Tsim Mong District 26.2	Tuen Mun District 22.5	Sai Kung District 9.7
10. Domestic households	Kwun Tong District 226 487	Sha Tin District 221 821	Yuen Long District 207 336	Islands District 55 035
11. Average domestic household size	Southern District 3.0 [#]	Sai Kung District 3.0 [#]	Tai Po District 3.0 [#]	Yau Tsim Mong District 2.6
12. Median monthly domestic household income of economically active households ⁽³⁾ (HK\$)	Central and Western District Wan Chai District 47,000	- -	Sai Kung District 38,300	Sham Shui Po District 25,000

Table 1: Selected Characteristics of District Council Districts, 2016

	Highest	Second Highest	Third Highest	Lowest
13. Proportion of domestic households owning the quarters they occupy (%)	Sai Kung District 63.9	Tai Po District 62.2	Eastern District 56.4	Kwun Tong District 30.5
14. Median mortgage payment and loan repayment to income ratio (%)	Wan Chai District 21.6	Yau Tsim Mong District 21.2	Islands District 20.3	Tuen Mun District 16.8
15. Median rent to income ratio (%)	Wan Chai District 31.5	Yau Tsim Mong District 30.6 [#]	Central and Western District 30.6 [#]	Tuen Mun District 8.6
16. Proportion of population aged 5 and over having internally migrated ⁽⁴⁾ (%)	Kowloon City District 16.8	Wan Chai District 13.2	Sham Shui Po District 13.1	Tuen Mun District 7.2

Notes: (1) Persons who study in the same district of residence include: (a) those who live on Hong Kong Island or in Kowloon and study in the same District Council district; (b) those who live in a new town and study in the same new town; and (c) those who live in other areas in the New Territories and study in areas other than new town areas of the same District Council district.

(2) Persons who work in the same district of residence include: (a) those who live on Hong Kong Island or in Kowloon and work in the same District Council district; (b) those who live in a new town and work in the same new town; and (c) those who live in other areas in the New Territories and work in areas other than new town areas of the same District Council district. Persons who work at home and marine population are excluded.

(3) Economically active household refers to a domestic household with at least one member (excluding foreign domestic helpers) being economically active.

(4) Persons having internally migrated were those whose area of current residence was different from the area of residence 5 years ago. In defining internal migration, a change in the area of residence refers to a move (a) from a District Council district to another District Council district; or (b) within a District Council district in the New Territories, from a new town to another new town, or from a new town to other areas in the district or vice versa.

[#] The ordering is made in accordance with the unrounded figures.
