Notes:

1. HD in Aviation is a new programme offered by VTC since academic year 2017/18.
2. The relevant course was launched by ERB from 2014/15 onwards. Annual figures provided by ERB run from April each year to March of the following year.
3. ERB did not make any estimation on admission and could only provide actual admission figures. The number of admission refers to those who attended the training course.
4. The number of students graduated refers to those who achieved 80% attendance rate and passed the course assessment.
5. The course is a non-placement-tied course and does not provide placement follow-up services. Hence, there is no information on the number of trainees joining the relevant sector after completing the course.
