**Information on Sites Allocated to Policy Bureaux/Government  
Departments through Government Land Allocation and  
Temporary Government Land Allocation  
(including Simplified Temporary Government Land Allocation)**

Type of land allocation	Government Land Allocation				Temporary Government Land Allocation (Including Simplified Temporary Government Land Allocation)			
	Government, Institution or Community	Recreation	Open Space	Other land use zonings or not covered by statutory plans	Government, Institution or Community	Recreation	Open Space	Other land use zonings or not covered by statutory plans
<b>Land use zoning</b>								
<b>Number of sites allocated to policy bureaux/government departments (about)</b>	1 572	19	794	2 054	494	29	434	2 934
<b>(Area) (hectare) (about)</b>	(1 241)	(21)	(888)	(1 936)	(131)	(100)	(205)	(2 823 )

Note: If a site has different land use zonings, the site (in terms of number of sites) will be counted towards the zoning that corresponds to the zoning of the majority area of the site. The area of the entire site will also be accordingly counted towards the same land use zoning (i.e. the land use zoning corresponding to the zoning of the majority area of the site).
