Notes:

1. The figure in each row only reflects the position as at 31 December of that year.
2. The figures are rounded to the nearest thousand.
3. “Completed projects” refer to projects with occupation permits issued by the Buildings Department.
4. The figure for each year includes only the number of unsold first-hand private residential units in projects completed in that year or in the previous seven years. For example, the figure in 2008 covers the projects completed between 2001 and 2008, while the figure in 2009 covers the projects completed between 2002 and 2009 and so on.
5. The figures do not include village houses.
