

Annex 1

Number of Residential Care Homes for the Elderly (RCHEs) Providing Non-subsidised Residential Care Services for the Elderly and Number of Non-subsidised Places

Year	Number of RCHEs providing non-subsidised residential care services for the elderly			Number of non-subsidised places		
	Private RCHEs participating in Enhanced Bought Place Scheme (EBPS)	Other types of RCHEs (Note 1)	Total	Private RCHEs participating in EBPS (not including the number of subsidised places in these RCHEs)	Other types of RCHEs (Note 2)	Total
2008-09	129	508	637	8 263	41 482	49 745
2009-10	131	513	644	8 425	41 627	50 052
2010-11	140	513	653	8 603	42 352	50 955
2011-12	137	513	650	8 211	42 270	50 481
2012-13	137	500	637	7 995	41 249	49 244
2013-14	135	497	632	7 553	41 672	49 225
2014-15	141	480	621	7 963	38 947	46 910
2015-16	142	480	622	8 143	38 409	46 552
2016-17	142	480	622	8 144	38 720	46 864
2017-18	139	489	628	7 640	39 497	47 137

Note 1: Apart from private RCHEs not participating in EBPS, the figures also include subvented, self-financing and contract RCHEs providing non-subsidised places, as well as self-financing nursing homes solely registered under the Department of Health.

Note 2: Regarding private RCHEs not participating in EBPS, the numbers of non-subsidised places provided in the table above refer to the maximum numbers of places that can be provided according to the licensing requirements, whereas for subvented, self-financing and contract RCHEs, the figures refer to the numbers of non-subsidised places provided.
