Note:

1. Refers to the highest relevant academic qualification possessed by a student on the basis of which a student's admission is decided.
2. Include sub-degree qualifications, such as associate degree, higher diploma, etc.
3. 'Others' include SAT, National Joint College Entrance Examination of Mainland China and those qualifications not elsewhere classified, e.g. students who have either completed a full or a part of a bachelor's degree programme in local or overseas institutions, or situations where students are admitted with multiple qualifications being major consideration.
4. “-” denotes nil.
5. Figures may not add up due to rounding.
