Kowloon

11) Kowloon City (over looking eastern Kowloon and eastern part of Hong Kong Island)

Tsim Sha Tsui 12) (looking towards the west)

Tsim Sha Tsui 13) (looking towards the east)

12A) International Commerce Centre (looking towards the southwest)

13A) International Commerce Centre (looking towards the southeast)

The Hong Kong Observatory's "Regional Weather in Hong Kong" webpage shows real-time weather photos at 28 sites. The real-time weather photos captured by the two new cameras at the International Commerce Centre facing southwest and southeast, and their areas of coverage are highlighted in the red boxes.
