**Work Incentive Transport Subsidy Scheme
Monthly Income and Asset Limits**

From the claim month of February 2019, the monthly income and asset limits of the Work Incentive Transport Subsidy (WITS) Scheme are adjusted as follows:

New Monthly Income and Asset Limits

Individual-based application	Application for Subsidy <u>from February 2019 onwards</u>		
	New Monthly Income Limit	New Monthly Asset Limit ⁽¹⁾	<i>New Effective Income Level ⁽²⁾ (for reference only)</i>
	\$11,000	\$96,000	<i>\$11,578</i>

Monthly Income and Asset Limits before Adjustment

Individual-based application	Application for Subsidy <u>from February 2018 to January 2019</u>		
	Monthly Income Limit	Monthly Asset Limit ⁽¹⁾	<i>Effective Income Level ⁽²⁾ (for reference only)</i>
	\$10,000	\$91,500	<i>\$10,526</i>

Note: (1) The asset limit is increased by \$35,000 for applicants aged 60 or above.

- (2) Under the WITS Scheme, “income” does not include employees’ mandatory contributions to Mandatory Provident Fund (MPF) schemes (i.e. 5% of employees’ salary). “Effective Income Level” refers to income before deducting mandatory employees’ MPF contributions. “Effective Income Level” is for reference only, and income assessment is based on “Monthly Income Limit”.
