Notes:

1. HA uses 90th percentile to denote the longest waiting time for special outpatient service.
2. Kwong Wah Hospital, Our Lady of Maryknoll Hospital and Tung Wah Group of Hospitals Wong Tai Sin Hospital, together with the service units in the concerned communities, were re-delineated from KWC to KCC with effect from December 1, 2016. Reports on services /

manpower statistics and financial information are continued to be based on the previous clustering arrangement (i.e. concerned service units under KWC) for the entire 2016-17 financial year (i.e. up to March 31, 2017), while reporting based on the new clustering arrangement starts from April 1, 2017. All statistics and financial information for KCC and KWC before and on / after April 1, 2017 are therefore not directly comparable.
