Notes : \*\*\* Figures are not released owing to large sampling error.

- (1) Refer to persons of non-Chinese ethnicity, excluding foreign domestic helpers.
- (2) Given the lower degree of accuracy in the unemployment estimates derived from the 2016 Population By-census, the unemployment-related statistics of ethnic minorities are for general reference only and should be interpreted with caution.
- (3) The proportion of unemployed population in the labour force.

- (4) According to the classification of territories prepared by the Statistics Division of the United Nations Secretariat, South Asian economies include India, Pakistan, Nepal, Bangladesh, Sri Lanka, Afghanistan, Bhutan, Iran and Maldives. Owing to limitations of data, figures related to "South Asians" in this table only include the first five ethnic groups.
- (5) "Other South Asian" include "Bangladeshi" and "Sri-Lankan".
- (6) "Others" include "Black", "Latin American", etc.
