Note 1 Eligible outside bodies include schools registered under the Education Ordinance, non-governmental organisations receiving subventions from the Social Welfare Department, uniformed groups and youth organisations, member organisations of the Sports Federation & Olympic Committee of Hong Kong, China, sports organisations affiliated to national sports associations, district sports associations, the Hong Kong Schools Sports Federation, the New Territories Regional Sports Association, sports organisations supported by government departments and government departments.

Note 2 The current leases of these private sports clubs were granted before 2011. The requirement on Opening-up Scheme was not yet implemented at that time. Although these lessees are not required to draw up an Opening-up Scheme for HAB's approval, all of them have voluntarily opened up their sports facilities to eligible outside bodies. Their voluntary schemes are available on HAB's website.

Note 3 Although these private sports clubs mainly provide water sports programmes and activities, some sports facilities are also provided on their sites (e.g. squash courts) and therefore they have opened their facilities to eligible outside bodies. The water sports programmes and activities they provided are all open for public enrolment.

Note 4 These private sports clubs mainly provide water sports programmes and activities. The training programmes and activities are open for public enrolment and they do not have sports facilities for use by eligible outside bodies.

Note 5 This figure does not include the utilisation hours of golf driving ranges voluntarily opened up for public use by the lessee.

Note 6 The runway offered by the lessee for flying model planes is open for public use.
