

Committee on Self-financing Post-secondary Education

Terms of Reference

The Committee on Self-financing Post-secondary Education shall, in the light of the community's needs, advise the Secretary for Education on:

- (a) macro and strategic issues of common interest to the self-financing post-secondary education sector, including quality enhancement and strategic coordination of the positioning and development of self-financing post-secondary institutions;
- (b) support for and regulation of the self-financing post-secondary education sector; and
- (c) any issues relating to post-secondary education which the Education Bureau may from time to time refer to the Committee.

In discharging its functions, the Committee may set up sub-committees, conduct studies, engage professional services and co-opt members as and when necessary.
