2017	3.0	2.1	5.0	4.3
2018	3.0	2.0	5.0	5.0

Note: Part B Test for MCs includes four designated basic movements conducted at a compound: (i) stopping at designated points; (ii) turning left; (iii) turning right; and (iv) stopping in emergency. To ensure the safety of learner drivers and road users, a candidate must enrol for a mandatory MC training course in a government DDS to acquire the basic knowledge and skills to manoeuvre a MC before applying through DDS for Part B Test conducted at its DTC.
