Source: Results of the 2016 Population By-census conducted by C&SD.

- Notes: (1) Excluding the floor areas of common areas shared among households.
(2) Including owner-occupiers, tenants, and other domestic households such as those whose accommodation is rent free / provided by employers, etc.
(3) Including private residential flats, villas / bungalows / modern village houses and simple stone structures / traditional village houses.
(4) In addition to the above types, domestic households living in non-domestic housing and temporary housing are also included, but domestic households living in unsheltered accommodation or on board vessels are excluded.
