Note: Generally, OWP holders are allowed to enter Hong Kong via the Lo Wu Control Point only. In response to the developments in the COVID-19 pandemic, the HKSAR Government has suspended the operation of the Lo Wu Control Point since February 4, 2020. As a result, persons who had been issued with OWPs could not enter Hong Kong via the Lo Wu Control Point. As the pandemic continues, there has been no concrete plan to resume the operation of the Lo Wu Control Point yet. Since the need of OWP holders for coming to Hong Kong for family reunion remains, upon discussion between the HKSAR Government and the Mainland authorities, OWP holders who had not been able to come to Hong Kong due to the suspended operation of the Lo Wu Control Point have been arranged to enter Hong Kong via the Shenzhen Bay Control Point in a gradual and orderly manner since June 8, 2020. Same as all other people entering Hong Kong from the Mainland (including Hong Kong residents and non-Hong Kong residents), these OWP holders coming to Hong Kong are subject to the 14-day compulsory quarantine under the Compulsory Quarantine of Certain Persons Arriving at Hong Kong Regulation (Cap. 599C).
